Profit Sharing will be paid out March 13, 2025. The Profit-Sharing payment will utilize your latest bonus election on myfordbenefits.com. If you have not changed your contribution amount or decision since receiving the last bonus, it will remain the same as prior year. For example, if you put a certain \$ amount in your TESPHE last year, and you don't make any changes this year, that exact same amount will go into your TESPHE this time.

The deadline to update your bonus election is **February 28, 2025, at 4:00 pm.**

As a reminder, you are still responsible for the deduction listed below.
